Paper offered for publication in the International Journal of **Contemporary ENERGY**.

In consideration of acceptance of the above named paper for publication, I hereby assign and transfer to the "Get It Published" all rights to the copyright in the paper. A license for reproduction and distribution of this paper will be granted to the Author by the "Get It Published" provided a copyright notice is included in each copy.

I also confirm that the item for which the copyright is to be transferred has not been previously published and is not under consideration to be published elsewhere.

I am responsible for reproduction of material published elsewhere (illustrations, tables, data) and have written permission from the copyright holder to reproduce material in this paper and I am fully responsible for paying any fees to reproduce the material. In case the paper should not be accepted for publication, this assignment shall be returned to the author.
